### Rationale

ICRA has retained the long-term rating of Rajamahendravaram Municipal Corporation in the 'Issuer Not Cooperating' category. The rating is denoted as [ICRA]B+(Stable); ISSUER NOT COOPERATING"

ICRA has been trying to seek information from the entity so as to monitor its performance. Further, ICRA has been sending repeated reminders to the entity for payment of surveillance fee that became due but despite repeated requests by ICRA, the entity's management has remained non-cooperative. The current rating action has been taken by ICRA basis best available/dated/ limited information on the issuers' performance. Accordingly, the lenders, investors and other market participants are advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the entity. The rating action has been taken in accordance with ICRA's policy in respect of non-cooperation by a rated entity available at [www.icra.in](http://www.icra.in).

Please refer to the following link for the previous detailed rationale that captures Key rating drivers and their description, Liquidity position, Rating sensitivities, Key financial indicators: [Click here](#) ICRA is unable to provide the latest information because of non-cooperation by the entity.

## About the company

The RMC was upgraded to a municipal corporation in 2005 from a selection-grade municipality. RMC is governed by the Andhra Pradesh Municipal Corporations Act 1994 (Act). It manages the municipal services in Rajamahendravaram city, located in the East Godavari district in coastal Andhra Pradesh. RMC covers an area of 44.5 square kilometres (sq. km.) and serves a population of 3.4 lakh (as per Census 2011). Its major functions include water supply, solid waste management and construction, repair and maintenance of roads and streetlights in its area. Divided into 50 municipal wards, an elected body headed by a Mayor administers the corporation while the Commissioner acts as the executive head overseeing its everyday functioning.

## Complexity level of the rated instrument

Instrument	Complexity Indicator
Issuer Rating	Not Applicable

The Complexity Indicator refers to the ease with which the returns associated with the rated instrument could be estimated. It does not indicate the risk related to the timely payments on the instrument, which is rather indicated by the instrument's credit rating. It also does not indicate the complexity associated with analysing an entity's financial, business, industry risks or complexity related to the structural, transactional, or legal aspects. Details on the complexity levels of the instruments, is available on ICRA's website: [Click Here](#)
