Rationale

ICRA has retained the rating of Reliance Communications Limited in the 'Issuer Not Cooperating' category. The ratings are denoted as "[ICRA]D/[ICRA]D; ISSUER NOT COOPERATING".

ICRA has been trying to seek information from the entity so as to monitor its performance. Further, ICRA has been sending repeated reminders to the entity for payment of surveillance fee that became due but despite repeated requests by ICRA, the entity's management has remained non-cooperative. The current rating action has been taken by ICRA basis best available/dated/ limited information on the issuers' performance. Accordingly, the lenders, investors and other market participants are advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the entity. The rating action has been taken in accordance with ICRA's policy in respect of non-cooperation by a rated entity available at www.icra.in.

Please refer to the following link for the previous detailed rationale that captures the Key rating drivers and their description, Liquidity position, Rating sensitivities: [Click here](#). ICRA is unable to provide the latest information because of non-cooperation by the entity.
