Rationale

ICRA has kept the Long-term and Short-term rating for the bank facilities of Hemang Resources Limited in the 'Issuer Not Cooperating' category. The rating is denoted as "[ICRA]D/[ICRA]D; ISSUER NOT COOPERATING".

As part of its process and in accordance with its rating agreement with Hemang Resources Limited, ICRA has been trying to seek information from the entity so as to monitor its performance. Further, ICRA has been sending repeated reminders to the entity for payment of surveillance fee that became due. Despite multiple requests by ICRA, the entity's management has remained non-cooperative. In the absence of requisite information and in line with the aforesaid policy of ICRA, the rating has been continued to the "Issuer Not Cooperating" category. The rating is based on the best available information.

Please refer to the following link for the previous detailed rationale that captures the Key rating drivers and their description, Liquidity position, Rating sensitivities, Key Financial Indicator: [Click here](#). ICRA is unable to provide the latest information because of non-cooperation by the entity.
