Rating action

ICRA has extended the validity of provisional ratings of [ICRA]A2+(SO)¹ [pronounced as Provisional ICRA A two plus Structured Obligation] assigned to the Rs.3.50 crore² proposed short term facilities of Zinka Logistics Solutions Private Limited (ZLSPL / the company) in June 2017 by 30 days. ICRA also has a short-term rating of [ICRA]A2+(SO) outstanding on the Rs.196.50 crore fund based limits of the company.

Rationale

For the proposed short term facilities, the rating was provisional subject to avilment of proposed limits by the company. However, the company is yet to avail additional facilities. Therefore, the rating continues to be provisional. ICRA will continue to review any update regarding the same.

Analytical approach: For arriving at the ratings, ICRA has applied its rating methodologies as indicated below.

About the company:

Incorporated in April 2015, Zinka Logistics Solutions Private Limited is a technology-enabled logistics service provider, which has developed mobile application-based assisted marketplace for freight providers and customers under the brand name 'Blackbuck'. The said mobile platform allows online booking of trucks, tracking and management of the transportation for customers on the one hand and optimal utilisation and effective management of the fleet for truck owners on the other. The company focuses on B2B logistics solutions and provides inter-city freight services in the long haul, full truckload and standard delivery (goods, temperature and delivery time) category. It follows an asset-light business model by matching truckers with shippers through its online platform, in turn minimising the downtime for trucks and maximising the utility of the asset for the truck operator. At present, the company offers services in over 300 locations across India and has over 103,000 trucks listed on its platform.
