## Complexity level of the rated instrument

| Trust Name                   | Instrument    | Complexity Indicator |
|------------------------------|---------------|----------------------|
| Aavishkaar June 2022 Trust I | PTC Series A1 | Moderately Complex   |
| Aavishkaar July 2022 Trust I | Series A1 SN  | Moderately Complex   |

The Complexity Indicator refers to the ease with which the returns associated with the rated instrument could be estimated. It does not indicate the risk related to the timely payments on the instrument, which is rather indicated by the instrument's credit rating. It also does not indicate the complexity associated with analysing an entity's financial, business, industry risks or complexity related to the structural, transactional, or legal aspects.
