Rationale

On November 24, 2023, Svatantra Microfin Private Limited (Svatantra) announced that it has completed a transaction involving the acquisition of 100% of the total issued and paid-up equity share capital of Chaitanya India Fin Credit Private Limited (CIFCPL) from the existing shareholders of CIFCPL, Navi Finserv Limited and Navi Technologies Limited. With the completion of the transaction, CIFCPL has become a wholly-owned subsidiary company of Svatantra.

Svatantra raised Rs. 1,100-crore capital in the form of compulsorily convertible preference shares from its promoters to fund the transaction, apart from utilising its reserves/internal accruals. ICRA believes the company will continue receiving regular capital support from its promoters to meet its envisaged growth. In ICRA's opinion, the aforementioned announcement is not expected to have an adverse impact on Svatantra's credit profile.
