Total	25.00	25.00	

*Issuer did not cooperate; based on best available information

[^]Instrument details are provided in Annexure-1

Rationale

ICRA has kept the Long-Term and Short-term rating for the Bank facilities of Symcom Communication in the 'Issuer Not Cooperating' category. The rating is denoted as "[ICRA]B+(Stable);ISSUER NOT COOPERATING/[ICRA]A4;ISSUER NOT COOPERATING".

As part of its process and in accordance with its rating agreement with Symcom Communication, ICRA has been trying to seek information from the entity so as to monitor its performance. Further, ICRA has been sending repeated reminders to the entity for payment of surveillance fee that became due. Despite multiple requests by ICRA, the entity's management has remained non-cooperative. In the absence of requisite information and in line with the aforesaid policy of ICRA, the rating has been continued to the "Issuer Not Cooperating" category. The rating is based on the best available information.

Please refer to the following link for the previous detailed rationale that captures Key rating drivers and their description, Liquidity position, Rating sensitivities and Key Financial Indicators: [Click here](#) ICRA is unable to provide the latest information because of non-cooperation by the entity.

About the company

Established in 1995, M/s. Symcom Communication is a proprietorship concern of Mr. Gopal Goyal. Earlier Symcom was engaged in supplying telephones to MTNL as well as dealing in scrap procured from telecom equipments. However, due to saturation in business from MTNL, Symcom ventured into disposing of scrap from sick industrial units in 2005. Sick units are purchased either from the official liquidator appointed by the high court or Debt Recovery Tribunal, through bidding process at auctions held by the official liquidator. Symcom also purchases scrap generated by Government corporations and the Indian Railways. Auctions for procuring this source of scrap are undertaken by MSTC Limited. Further Symcom also purchases scrap and sick units, at auctions held by private auctioneers such as Ashvin & Co. Auctioneers. Due to the favourable factors for ship breaking in 2009-10, Symcom undertook to ship breaking a source of scrap. The ship breaking activities are carried out at Mumbai and Alang, Gujarat.

Status of non-cooperation with previous CRA: Not Applicable

Any other information: None

Rating history for past three years

	Instrument	Current Rating (FY2024)				Chronology of Rating History for the past 3 years

Complexity level of the rated instrument

Instrument	Complexity Indicator
Long Term-Fund Based -Cash Credit	Simple
Short Term-Interchangeable-Others	Very Simple

The Complexity Indicator refers to the ease with which the returns associated with the rated instrument could be estimated. It does not indicate the risk related to the timely payments on the instrument, which is rather indicated by the instrument's credit rating. It also does not indicate the complexity associated with analysing an entity's financial, business, industry risks or complexity related to the structural, transactional, or legal aspects. Details on the complexity levels of the instruments, is available on ICRA's website: [Click Here](#)
