Long-term/Short-term–Unallocated	26.39	0.00	-
Total	335.50	335.50	

*Instrument details are provided in Annexure-1

Rationale

ICRA has taken a consolidated view of ZF Rane Automotive India Private Limited (ZFRAIPL/ the company) and ZF Rane Occupant Safety Systems Private Limited (ZFROSSPL) with ZFROSSPL being a 100% subsidiary of ZFRAIPL and both the companies having strong operational and financial linkages between them.

On March 29, 2024, ZF Rane Automotive India Pvt Ltd (ZFRAIPL) announced that it has completed acquisition of 100% stake in TRW Sun Steering Wheels Pvt Ltd (TSSWPL), as part of ZF Friedrichshafen AG's overall strategy to bring its occupant safety business in India under ZFRAIPL. The acquisition would bring in an additional product under ZFRAIPL. ICRA notes that ZFRAIPL's credit profile is unlikely to be impacted by the transaction.

TSSWPL was a JV between the Sun Vacuum Formers Pvt. Ltd. (51% stake) and ZF Friedrichshafen AG (49% stake). It manufactures various types of steering wheels for the Indian market and supplies to a diverse set of passenger vehicle OEMs from its manufacturing plants in Gurugram and Pune. The company reported revenues of Rs. 160.4 crore and an OPM of 7.8% in FY2023. It was debt-free and had free cash and bank balances of ~Rs. 67 crore as on the date of acquisition.

Analytical approach

Analytical Approach	Comments
Applicable rating methodologies	Corporate Credit Rating Methodology Auto Component
Parent/Group support	Not applicable
Consolidation/Standalone	The ratings are based on the consolidated financial profile of ZFRAIPL

About the company

ZF Rane Automotive India Private Limited is a 49:51 joint venture between Rane Holdings Limited (holding company of the Rane Group, an established auto ancillary group in India; rated [ICRA]AA- (Stable)/[ICRA]A1+) and ZF Automotive J.V. US LLC (part of ZF Friedrichshafen AG, a reputed global auto component supplier). The company is a tier-I auto component supplier and has two divisions—hydraulic steering gears and occupant safety products. ZFRAIPL manufactures hydraulic power steering and pumps in the former (~48% of revenues in FY2023) and seat belts and airbags in the latter (~52%). ZFRAIPL derives ~68% of its revenues from the domestic market (38% from PVs, 54% from CVs and the balance from spares and farm tractors) and ~32% from overseas markets (predominantly PVs). While the company only had standalone operations earlier, it incorporated a wholly-owned subsidiary, ZF Rane Occupant Safety Systems Private Limited, in June 2022, for manufacturing some of its occupant safety products.

The Rane Group is represented by key companies such as Rane Holdings Limited (rated [ICRA]AA- (Stable)/[ICRA]A1+), Rane Engine Valve Limited, Rane Brake Lining Limited (rated [ICRA]AA- / [ICRA]A1+; Rating Watch with Developing Implications), Rane (Madras) Limited and Rane NSK Steering Systems Private Limited, apart from ZFRAIPL.

Status of non-cooperation with previous CRA: Not applicable

Complexity level of the rated instrument

Instrument	Complexity Indicator
Long-term fund based – CC	Simple
Long-term fund based – Term loan	Simple
Short-term fund based – sublimit	Simple
Short-term non-fund based	Very Simple

The Complexity Indicator refers to the ease with which the returns associated with the rated instrument could be estimated. It does not indicate the risk related to the timely payments on the instrument, which is rather indicated by the instrument's credit rating. It also does not indicate the complexity associated with analyzing an entity's financial, business, industry risks or complexity related to the structural, transactional, or legal aspects. Details on the complexity levels of the instruments, is available on ICRA's website: [Click Here](#)
