Rationale

ICRA has withdrawn the [ICRA]A (Stable) rating assigned to Satin Creditcare Network Limited's (SCNL) Rs. 10.0-crore subordinated debt programme as no amount is outstanding against the same. This is in accordance with ICRA's policy on the withdrawal of credit ratings. The key rating drivers, liquidity position, rating sensitivities, and key financial indicators have not been captured as the rated instrument is being withdrawn. The previous detailed rating rationale is available at the following link: [Click here](#)

Analytical approach

Analytical Approach	Comments
Applicable rating methodologies	Rating Methodology for Non-banking Finance Companies Policy on Withdrawal of Credit Ratings
Parent/Group support	Not Applicable
Consolidation/Standalone	For arriving at the ratings, ICRA has considered the consolidated financials of SCNL. As on March 31, 2024, the company had two subsidiaries, which are enlisted in Annexure II.

About the company

SCNL, set up in 1990 to grant individual business loans to urban shopkeepers, started providing group lending services to the rural poor in 2008. It was registered with the Reserve Bank of India (RBI) as a deposit-taking non-banking financial company (NBFC) under the name, Satin Leasing and Finance Limited. Following its conversion into a public limited company in 1994, it was renamed Satin Creditcare Network Limited in 2000. It stopped accepting public deposits from November 2004 and the RBI changed its classification to Category B (non-deposit taking) from Category A (deposit-taking) in February 2009 and converted it into an NBFC-microfinance institution (NBFC-MFI) in November 2013. The company's microfinance operations are based on

the Grameen Bank joint liability group model and were spread across 1,236 branches in the country as on March 31, 2024 on a standalone basis and 1,393 branches for the Group as a whole.

As on March 31, 2024, its consolidated assets under management stood at Rs. 11,850 crore. On a consolidated basis, it reported a net profit of Rs. 436 crore in FY2024 (total comprehensive income (TCI) of Rs. 442 crore) against Rs. 5 crore in FY2023 (negative TCI Rs. 16 crore).

Status of non-cooperation with previous CRA: Not applicable

Any other information:

SCNL also faces prepayment risk, given the possibility of debt acceleration upon the breach of covenants, including financial, operating and rating-linked covenants. Upon failure to meet the covenants, if the company is unable to get waivers from the lenders/investors or the lenders/investors do not provide it with adequate time to arrange for alternative funding to pay off the accelerated loans, the ratings would face pressure.
