Analytical approach

Analytical Approach	Comments
Applicable Rating Methodologies	Policy in respect of non-cooperation by the rated entity Corporate Credit Rating Methodology Policy on withdrawal of Credit Ratings
Parent/Group Support	Promoter Group: Asian Granito Limited (AGL) The ratings assigned to ACL factors in the likelihood of its parent, AGL, extending financial support to it because of close business linkages between them. ICRA expects AGL to be willing to extend financial support to ACL out of its need to protect its reputation from the consequences of a group entity's distress. There also exists a consistent track record of AGL having extended timely financial support to ACL in the past, whenever a need has arisen
Consolidation/Standalone	ICRA has considered the consolidated financials of AGL
