Rationale

ICRA has kept the Short-term rating of Precious Jewels Corporation in the 'Issuer Not Cooperating' category. The rating is denoted as "[ICRA]A4; ISSUER NOT COOPERATING".

As part of its process and in accordance with its rating agreement with Precious Jewels Corporation, ICRA has been trying to seek information from the entity so as to monitor its performance. Further, ICRA has been sending repeated reminders to the entity for payment of surveillance fee that became due. Despite multiple requests by ICRA, the entity's management has remained non-cooperative. In the absence of requisite information and in line with the aforesaid policy of ICRA, the rating has been continued to the "Issuer Not Cooperating" category. The rating is based on the best available information.

Please refer to the following link for the previous detailed rationale that captures Key rating drivers and their description, Liquidity position, Rating sensitivities, Key financial indicators: [Click here](#). ICRA is unable to provide the latest information because of non-cooperation by the entity.

About the company

Precious Jewels Corporation (PJC) procures diamond and stones which are in raw form; these are then manufactured in machines to give it shape and are finished to be sold in national and international markets. The raw materials are imported from Hong Kong, Belgium, Israel and Mozambique etc. The firm procures raw materials especially precious stones including emerald and ruby from various auctions (Gemfields India Pvt Ltd). The firm also procures raw material from some of its biggest buyers. The orders are bagged in number of shows and exhibitions taking place abroad as PCJ participates in it. Approximately 90-95% of the sales are coming through exports and remaining sales is done domestically. Almost entire sales is done through

the group concern which runs its retail outlet at Vasant Kunj, Delhi. PJC is gradually increasing its sales contribution from precious stones. The shift has been owing to the better margins and increasing demand in the stone segment.
