Analytical approach

Analytical Approach	Comments
Applicable rating methodologies	Corporate Credit Rating Methodology Policy on Withdrawal of Credit Ratings
Parent/Group support	The ratings assigned to BAPL factors in the high likelihood of its parent, GEMPL, extending financial support to it because of its strategic importance and close managerial linkages. ICRA also expects GEMPL to be willing to extend financial support to BAPL out of its need to protect its reputation from the consequences of a group entity's distress
Consolidation/Standalone	The ratings are based on the standalone financials of BAPL
