Rationale

The rating is based on limited cooperation from the entity since the time it was last rated in June 2024. As a part of its process and in accordance with its rating agreement with Kandhari Beverages Private Limited (KBPL), ICRA has been sending repeated reminders to the entity for payment of the surveillance fee that became due. Despite multiple requests by ICRA, the entity's management has remained non-cooperative. In the absence of requisite cooperation and in line with the aforesaid policy of ICRA, the rating has been moved to the "Issuer Not Cooperating" category.

Please refer to the following link for the previous detailed rationale that captures the key rating drivers and their description, liquidity position, rating sensitivities: [Click here](#). ICRA is unable to provide the latest information because of non-cooperation by the entity.
