Rationale

Arohan Financial Services Limited, vide its stock exchange filing dated April 30, 2025, has intimated that the scheduled monthly interest payment aggregating Rs. 21,836.47 towards non-convertible debenture (NCD) bearing ISIN INE808K08061 and Rs. 12,869.11 towards NCD bearing ISIN INE808K08053 could not be remitted to a few investors because of unavailability of their correct bank account details or closure of their bank accounts. However, ICRA notes that the entire unpaid amount was credited to a separate escrow account maintained with a scheduled commercial bank before the due date, i.e. April 30, 2025. The Company made the required payment on April 28, 2025 to all the investors and credited the unpaid amount to a separate escrow account on April 29, 2025.

Arohan had sufficient liquidity in the form of cash and bank balances of Rs. 663 crore as on April 28, 2025, Rs. 645 crore as on April 29, 2025 and Rs. 547 crore as on April 30, 2025. The inability to make the payment to the investors concerned neither reflects its lack of ability nor willingness to service the debt obligations. The inability to make the payment was because of reasons beyond the control of the company as it could not gather the correct account details of the investors concerned or the bank account of the investor concerned had closed despite making efforts to approach them independently and through the Registrar and Transfer Agent (RTA).

Given that the company's fundamental credit profile remains intact and the unpaid amount had been transferred to a separate escrow account on the due date itself, its rating remains unchanged, in accordance with ICRA's Policy on Default Recognition.

The table below includes the details of the instruments concerned:

Name of security	ISIN	Total amount to be paid (Rs. lakh)	Due date of payment	Amount of payment made (Rs. lakh)	Amount of payment failed (Rs. lakh)	Reasons for failure of payment	Date when the amount corresponding to the failed payment was transferred to a separate escrow account
NCD	INE808K08061	26.40	April 30, 2025	26.18	0.22	Incorrect/closed account numbers	Apr 29, 2025*
NCD	INE808K08053	38.12	April 30, 2025	37.99	0.13	Incorrect/closed account numbers	Apr 29, 2025*

* As per the SEBI Circular SEBI/HO/DDHS/DDHS-PoD-3/P/CIR/2024/160 dated November 18, 2024, amount of Rs. 0.35 lakh has been deposited in an escrow

account designated for coupon payments

Complexity level of the rated instruments

Instrument	Complexity indicator
Subordinated debt	Simple
NCD	Simple
Long-term bank facilities – Fund based	Simple

The Complexity Indicator refers to the ease with which the returns associated with the rated instrument could be estimated. It does not indicate the risk related to the timely payments on the instrument, which is rather indicated by the instrument's credit rating. It also does not indicate the complexity associated with analysing an entity's financial, business, industry risks or complexity related to the structural, transactional or legal aspects. Details on the complexity levels of the instruments are available on ICRA's website: [Click Here](#)
