### Rationale

ICRA has withdrawn the rating assigned to the bank facilities of Aarohi Solar Private Limited at the company's request and based on the receipt of No Dues Certificates from its lender. This is in accordance with ICRA's policy on the withdrawal of credit ratings.

The key rating drivers, liquidity position, rating sensitivities, and key financial indicators have not been captured as the rated instrument has been withdrawn. The previous detailed rating rationale is available at the following link: [Click Here](#)

### Analytical approach

Analytical Approach	Comments
Applicable rating methodologies	<a href="#">Corporate Credit Rating Methodology</a> <a href="#">Policy on Withdrawal of Credit Ratings</a> <a href="#">Power - Solar</a>
Parent/Group support	ICRA has consolidated the financials of the five SPVs under the co-obligor to arrive at the notional group rating, after factoring in the support available from the parent, ASH. The notional group rating is used to notch up the individual SPV ratings factoring in implicit support, given the cross-default linkages.
