### Rationale

The rating is based on limited cooperation from the entity since the time it was last rated in November 2024. As a part of its process and in accordance with its rating agreement with Mirha Exports Private Limited, ICRA has been sending repeated reminders to the entity for payment of surveillance fee that became due. Despite multiple requests by ICRA, the entity's management has remained non-cooperative. In the absence of requisite cooperation and in line with the aforesaid policy of ICRA, the rating has been moved to the Issuer Not Cooperating category.

Please refer to the following link for the previous detailed rationale that captures the key rating drivers and their description, liquidity position, rating sensitivities: [Click here](#). ICRA is unable to provide the latest information because of non-cooperation by the entity.

### About the company

Incorporated in September 1997, Mirha Exports Private Limited (MEPL) is involved in processing and exporting frozen meat products from India. In FY2005, MEPL purchased a running unit with meat processing facilities in Sahibabad, Uttar Pradesh. In April 2012, it completed a capacity expansion at its Sahibabad unit and increased it to 60 MT from 20 MT per day. In February 2011, MEPL set up an integrated meat processing plant as some big exporting countries mandate the presence of a slaughterhouse to be eligible for export. This plant is in Joula Kurdh village in Dera Bassi district of Punjab. At present, the plant has a capacity of 300 MT per day, which translates into ~2,400 buffaloes per day. However, the utilisation is limited to approximately 2,000 buffaloes per day. The plant is approved by the Agricultural and Processed Food Products Export Development Authority (APEDA) under the Ministry of Commerce and Industry.

In FY2016, Mirha incorporated another company, Al Super Frozen Foods Private Limited (ASFFPL) to diversify its business in Uttar Pradesh. Mirha holds a 99.98% stake in ASFFPL.
