Rationale

On December 06, 2023, Network18 Media & Investments Limited (NW18) intimated the stock exchanges regarding a scheme of amalgamation and arrangement among Network18 Media & Investments Limited and its subsidiaries – TV18 Broadcast Limited (TV18) and e-Eighteen.Com Limited (E18). TV18 is the immediate parent of Viacom18 Media Private Limited (Viacom18). Under the scheme, E18 and TV18 will merge into Network18 with effect from April 1, 2023. As a result of the scheme, TV18's holding in Viacom18 will be transferred to NW18, which will become the immediate parent of Viacom18. The scheme seeks to achieve operational synergies, cost optimisation and increased revenue realisation. Further, Reliance Industries Limited (RIL, rated [ICRA]AAA(Stable/[ICRA]A1+) group will continue to be the majority shareholder in NW18, though the shareholding will reduce from 75% at present to 56.89% post completion of the amalgamation.

ICRA has taken cognizance of the above development and expects that the strategic importance and linkages of NW18 Group with RIL's media business will continue to remain strong. While assessing the credit profile of NW18, ICRA has factored in the consolidated financials of NW18, along with its subsidiaries (E18, TV18, Viacom18 and others), and the merger is unlikely to have any material impact on the credit profile of the rated entities. ICRA, however, will continue to monitor the developments in this respect and the impact of the same on Viacom18's credit risk profile

Analytical approach

Analytical Approach	Comments
Applicable rating methodologies	TV Broadcasting Corporate Credit Rating Methodology
Parent/Group support	Parent / Group Company: Reliance Industries Limited (RIL) Independent Media Trust, of which RIL is the sole beneficiary, holds a majority stake in Network18, which has a 51.17% stake in TV18. Viacom18 is a step-down subsidiary of Network18. ICRA expects the RIL Group to continue extending timely financial support to Network18 Group, should there be a need, as they are a key player in the telecom and media value chain that RIL is focusing on.
Consolidation/Standalone	The rating is based on the company's consolidated financial profile. The list of entities considered for consolidation as on March 31, 2023, is provided in Annexure II.
