Rationale

ICRA has kept the Issuer rating of C & R Textiles (P) Ltd. in the 'Issuer Not Cooperating' category. The rating is denoted as [ICRA]B+(Stable); ISSUER NOT COOPERATING.

As part of its process and in accordance with its rating agreement with C & R Textiles (P) Ltd., ICRA has been trying to seek information from the entity so as to monitor its performance. Further, ICRA has been sending repeated reminders to the entity for payment of surveillance fee that became due. Despite multiple requests by ICRA, the entity's management has remained non-cooperative. In the absence of requisite information and in line with the aforesaid policy of ICRA, the rating has been continued to the "Issuer Not Cooperating" category. The rating is based on the best available information.

Please refer to the following link for the previous detailed rationale that captures Key rating drivers and their description, Liquidity position, Rating sensitivities: [Click here](#) ICRA is unable to provide the latest information because of non-cooperation by the entity.

Complexity level of the rated instrument

Instrument	Complexity Indicator
Issuer Ratings	Not Applicable

The Complexity Indicator refers to the ease with which the returns associated with the rated instrument could be estimated. It does not indicate the risk related to the timely payments on the instrument, which is rather indicated by the instrument's credit rating. It also does not indicate the complexity associated with analysing an entity's financial, business, industry risks or complexity related to the structural, transactional, or legal aspects. Details on the complexity levels of the instruments, is available on ICRA's website: [Click Here](#)
