Rationale

ICRA has moved the long-terms ratings for the bank facilities of SNQS International Socks Private Limited to the 'Issuer Not Cooperating' category. The rating is now denoted as "[ICRA]B+ (Stable) ISSUER NOT COOPERATING"

ICRA has been trying to seek information from the entity so as to monitor its performance, but despite repeated requests by ICRA, the entity's management has remained non-cooperative. The current rating action has been taken by ICRA basis best available information on the issuers' performance. Accordingly the lenders, investors and other market participants are advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the entity.
