

K.K.Cotex

Instrument	Amount Rated	Rating Action
Long Term Fund based - Cash Credit	Rs. 22.00 crore	[ICRA]B+ reaffirmed
Long Term Fund based- Term Loan	Rs 2.70 crore	[ICRA]B+ assigned

ICRA has reaffirmed the [ICRA]B+ (pronounced ICRA B plus) rating for the Rs. 22.00 crore¹ fund based facilities of K.K. Cotex(KKC)². ICRA has also assigned [ICRA]B+(pronounced ICRA B plus) rating for the Rs 2.70 crore fund based term loan facility of KKC.

The rating continue to be constrained by KKC's weak financial profile as reflected by low profitability, adverse capital structure and weak debt coverage indicators. The rating also takes into account the low value additive nature of operations and the intense competition on account of the fragmented industry structure leading to thin profit margins. The rating is further constrained by the vulnerability to adverse fluctuations in raw material prices which are subject to seasonal availability of raw cotton and government regulations on the minimum support price (MSP) for the procurement of raw cotton. Further, the rating also considers partnership nature of the firm whereby any significant withdrawals from the capital account would affect its net worth adversely.

The rating, however, positively factors in the long experience of the promoters in the cotton ginning and pressing business as well as the favorable location of the firm giving it easy access to raw cotton

Firm Profile

K. K. Cotex was formed in 2007 as a partnership firm by Mr. Kishorbhai S Patel and Mrs. Bhavitaben K Patel, with more than a decade of experience in the cotton industry. The firm has set up a unit for cotton ginning and pressing at Hadamtala, District Rajkot with 1 pressing and 24 ginning machines

Recent Results

For the year ended 31st March 2015, K.K. Cotex reported an operating income of Rs. 90.00 crore and profit after tax of Rs 0.61 crore .

March 2016
