Rationale

ICRA has withdrawn the ratings for the pass-through certificates (PTCs) issued under a microfinance loan securitisation transaction originated by Arohan Financial Services Limited (Arohan/Originator; rated [ICRA]A (Stable)¹), as tabulated above. All the payouts to the investors in the above-mentioned instruments have been made and no further payments are due to the investor. Arohan was also the servicer of the rated transaction.

The key rating drivers, liquidity position, and rating sensitivities have not been captured as the rating assigned to both the instruments have been withdrawn. The detailed rating rationale of the previous rating exercise is available at the below mentioned link:

Complexity level of the rated instruments

Trust Name	Instrument	Complexity Indicator
Ascent Beta May 2025	Series A1 PTC	Highly Complex
	Equity Tranche	Highly Complex

The Complexity Indicator refers to the ease with which the returns associated with the rated instrument could be estimated. It does not indicate the risk related to the timely payments on the instrument, which is rather indicated by the instrument's credit rating. It also does not indicate the complexity associated with analysing an entity's financial, business, industry risks or complexity related to the structural, transactional or legal aspects. Details on the complexity levels of the instruments, is available on ICRA's website [Click here](#)
