Rationale

ICRA has withdrawn the ratings assigned to the bank facilities of Hexagon Nutrition Limited (HNL) at the company's request and based on the no objection certificates received from the bankers, and in accordance with ICRA's policy on withdrawal. ICRA does not have information to suggest that the credit risk has changed since the time the ratings were last reviewed.

The key rating drivers, liquidity position and rating sensitivities have not been captured as the rated instruments are being withdrawn. The previous detailed rating rationale is available at the following link: [Click here.](#)
